S08

Ease of Styling

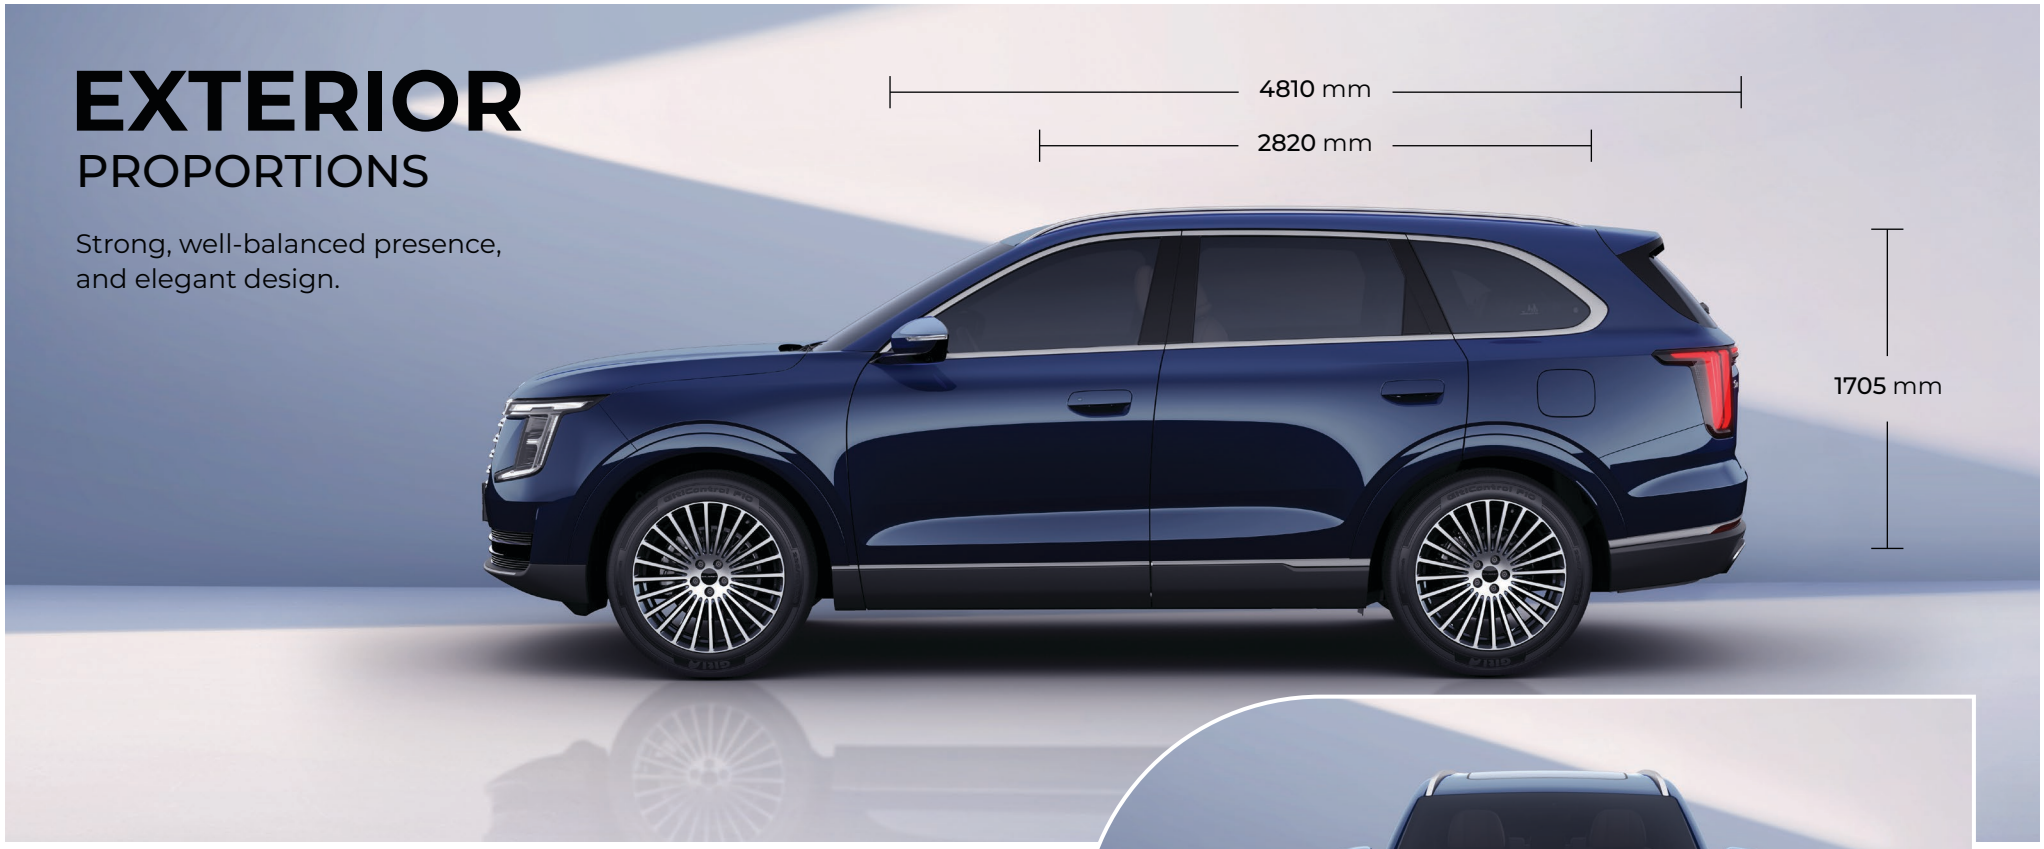
Inspired by classic luxury and crafted for modern tastes. With its extended profile, bold proportions, and commanding road presence, the S08 leaves a lasting impression wherever it goes.

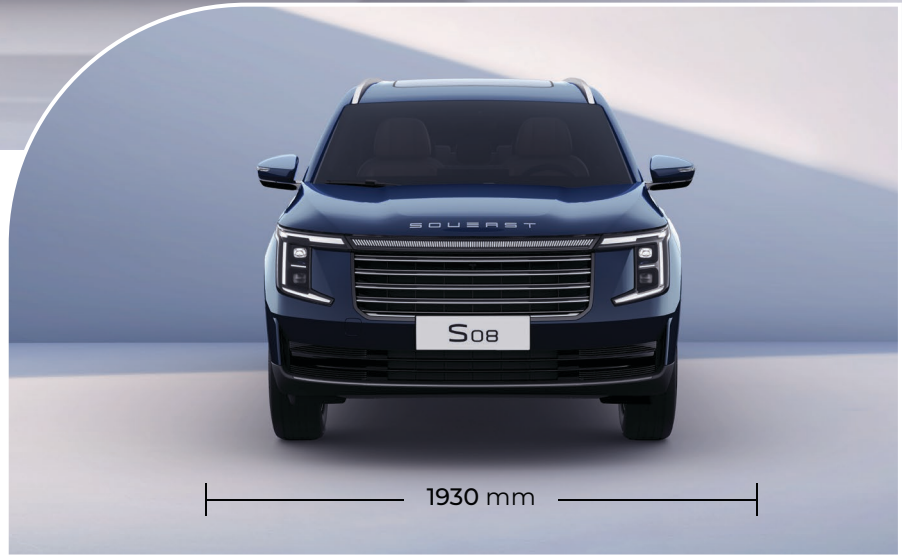
Designed for Space and Comfort

A long wheelbase creates a more roomy interior, providing greater legroom and comfort for a relaxed travel experience.

EXTERIOR
PROPORTIONS

Strong, well-balanced presence,
and elegant design.





Length
4810 mm

Width
1930 mm

Height
1705 mm

Wheelbase
2820 mm

SOUEAST

ELITE GROUP HOLDING LTD

Wave-patterned Horizontal Grille

A horizontal grille design inspired by natural ocean waves, seamlessly integrated with the headlight design, giving the front a premium look.

Stellar Panaromic Headlight Design

EU Illumination standard. 32.5m ultrawide headlight irradiation width, 180m high-beam range, Providing exceptional visibility and driving confidence.

12-Spoke Sunlight-Style 20-Inch Alloy Wheels

Spokes radiate like the first rays of morning sun, lighting up every stretch of the journey ahead.

Cascading Waterfall Taillights

434 LED lamp beads and 12x348mm light strips deliver a striking presence, enhancing visibility while creating a distinctive lighting signature.

Semi-hidden Door Handles

A clean, flush design that enhances aesthetics, supports safety, and helps reduce wind resistance .

Elite ELITE GROUP HOLDING LTD

Ventilated, Heat & Massage Seats

10-point massage system with memory function, heating, and cooling for enhanced relaxation on every drive.

- **Crystal Seat Adjust Buttons**

  Independent front & rear row adjustment, one-click comfort.

- **Passenger Seat BOSS Button**

  Intelligent-controlled passenger seat, on-demand comfort.

- **Spacious Second Row Experience**

  Featuring 1006mm of legroom and 1451mm of shoulder room, the second row delivers generous space for every passenger.

- **12-Speaker Premium Surround Sound System**

  Turn every drive into a live concert with immersive-crystal clear audio that everyone can enjoy.

- **50W Wireless Fast Charging**

  Fast wireless charging with a cable-free interior, designed for modern convenience.

- **Rear Seat Foldable Table**

  Large foldable table with 374x243mm extra-large surface and a 30KG Load capacity, providing the perfect space for working or entertainment on the go.

Ultra-long Wheelbase & Expansive Cargo Space

A 2820mm ultra-long wheelbase paired with upto 1780L of flexible cargo capacity, delivering outstanding comfort, generous interior space and versatility to handle every adventure with ease.

EZE Button-One touch Third Row Access

Access the third row effortlessly with a single touch ensuring smooth experience for every passenger.

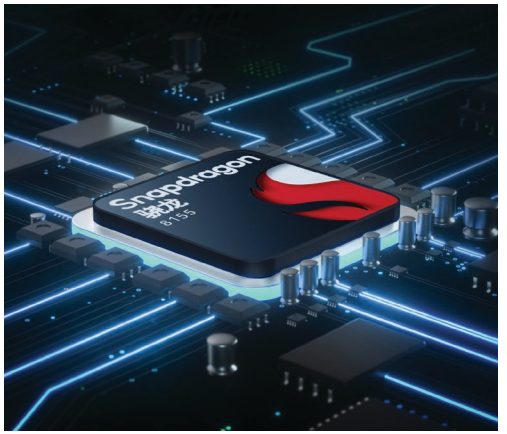
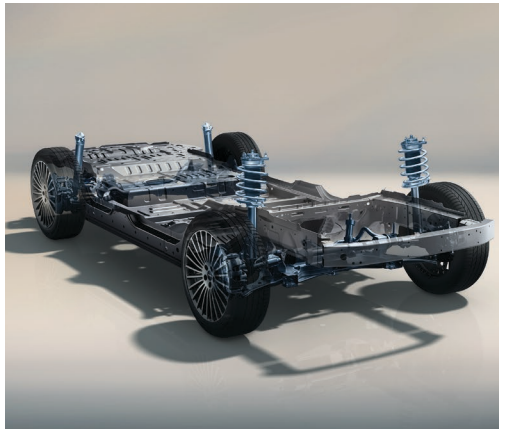
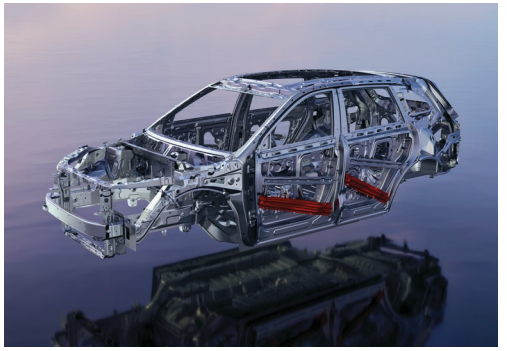
ELITE GROUP HOLDING LTD

Ease of Driving

Experience powerful performance on demand, precise handling and all-round safety designed to inspire confidence and make every trip a carefree adventure.







- **2.0TD Engine. Powerful. Refined. Effortless.**

  254HP maximum power and 390Nm peak torque generates robust power and smooth shifts for effortless journeys.

- **Qualcomm Snapdragon 8155 Chip**

  Quick and responsive.

- **Cloud-Sense CDC Active Suspension**

  100 adjustments/sec. 20ms response, delivering smooth comfort and stable handling for all scenarios.

- **High-Strength Steel Safety Cage**

  Engineered with 85% high-strength steel and 20% hot-formed steel. The reinforced body delivers exceptional structural integrity and 25,000Nm/deg torsional rigidity for superior safety, durability and driving stability on every journey.

- **Rear Seat Back Steel Protector**

  With a thickness range of 0.5-3mm, it effectively prevents penetration injuries.

- **Hot-Formed Dual Door Ring & 4-Door Anti-Collision Plates**

  4L+2T chassis reinforced by hot-formed steel all-round safety upgrades.
