S08

Ease of Styling

Inspired by classic luxury and crafted for modern tastes. With its extended profile, bold proportions, and commanding road presence, the S08 leaves a lasting impression wherever it goes.

Designed for Space and Comfort

A long wheelbase creates a more roomy interior, providing greater legroom and comfort for a relaxed travel experience.

EXTERIOR PROPORTIONS

Strong, well-balanced presence,
and elegant design.

S08

■ Wave-patterned Horizontal Grille

A horizontal grille design inspired by natural ocean waves, seamlessly integrated with the headlight design, giving the front a premium look.

■ Stellar Panoramic Headlight Design

EU Illumination standard. 32.5m ultrawide headlight irradiation width, 180m high-beam range, Providing exceptional visibility and driving confidence.

■ 12-Spoke Sunlight-Style 20-Inch Alloy Wheels

Spokes radiate like the first rays of morning sun, lighting up every stretch of the journey ahead.

■ Cascading Waterfall Taillights

434 LED lamp beads and 12x348mm light strips deliver a striking presence, enhancing visibility while creating a distinctive lighting signature.

■ Semi-hidden Door Handles

A clean, flush design that enhances aesthetics, supports safety, and helps reduce wind resistance.

Your Home Away From Home

Interior

Spacious, comfortable, and thoughtfully designed, the S08 creates a welcoming environment for every passenger. Flexible 3-row seating, premium leather, and carefully crafted details ensure every journey feels as comfortable as home.

15.6-Inch Tilting Smart Screen

Featuring a 10° intelligent swivel display, 4 audio zones, and responsive voice control, creating a seamlessly connected and immersive cabin experience.

Elevated Cabin Design

Featuring a sweeping wraparound layout, the cabin is luxuriously appointed with premium soft leather, meticulous stitching, and elegant wood-grain

Personalized Seating Comfort

Designed to deliver optimal comfort and ergonomic support for every journey.

Premium Soft Fabric

Soft-touch, breathable high-quality leather upholstery. Delivers superior comfort, lasting durability on every journey.

Ventilated, Heat & Massage Seats

10-point massage system with memory function, heating, and cooling for enhanced relaxation on every drive.

■ Crystal Seat Adjust Buttons

Independent front & rear row adjustment, one-click comfort.

■ Passenger Seat BOSS Button

Intelligent-controlled passenger seat, on-demand comfort.

■ Spacious Second Row Experience

Featuring 1006mm of legroom and 1451mm of shoulder room, the second row delivers generous space for every passenger.

■ 12-Speaker Premium Surround Sound System

Turn every drive into a live concert with immersive-crystal clear audio that everyone can enjoy.

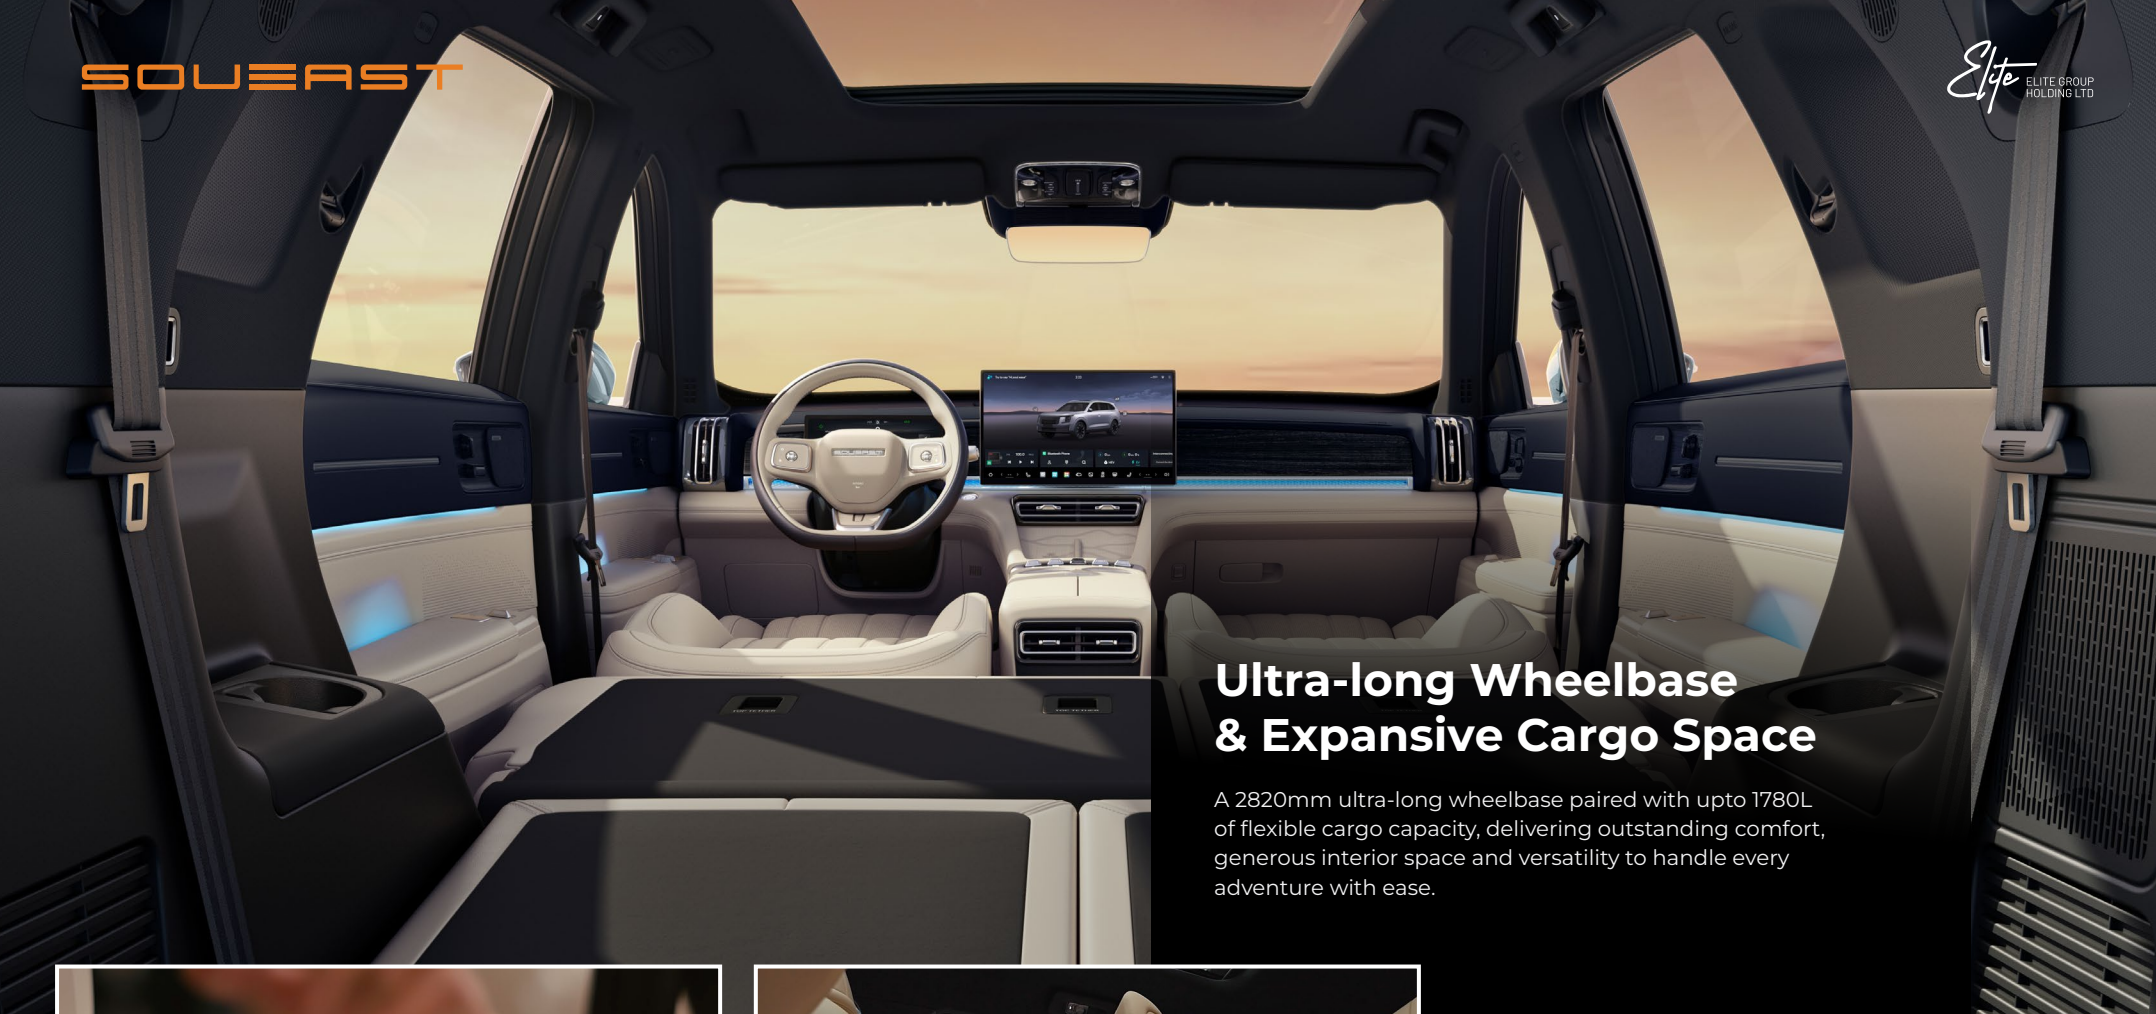

■ 50W Wireless Fast Charging

Fast wireless charging with a cable-free interior, designed for modern convenience.

■ Rear Seat Foldable Table

Large foldable table with 374x243mm extra-large surface and a 30KG Load capacity, providing the perfect space for working or entertainment on the go.

Ultra-long Wheelbase & Expansive Cargo Space

A 2820mm ultra-long wheelbase paired with upto 1780L of flexible cargo capacity, delivering outstanding comfort, generous interior space and versatility to handle every adventure with ease.

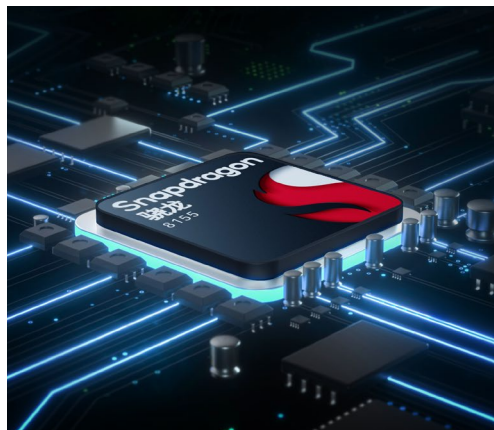

EZE Button-One touch Third Row Access

Access the third row effortlessly with a single touch ensuring smooth experience for every passenger.

Ease of Driving

Experience powerful performance on demand, precise handling and all-round safety designed to inspire confidence and make every trip a carefree adventure.

- **2.0TD Engine. Powerful. Refined. Effortless.**

254HP maximum power and 390Nm peak torque generates robust power and smooth shifts for effortless journeys.

- **Qualcomm Snapdragon 8155 Chip**

Quick and responsive.

- **Cloud-Sense CDC Active Suspension**

100 adjustments/sec. 20ms response, delivering smooth comfort and stable handling for all scenarios.

- **High-Strength Steel Safety Cage**

Engineered with 85% high-strength steel and 20% hot-formed steel. The reinforced body delivers exceptional structural integrity and 25,000Nm/deg torsional rigidity for superior safety, durability and driving stability on every journey.

- **Rear Seat Back Steel Protector**

With a thickness range of 0.5-3mm, it effectively prevents penetration injuries.

- **Hot-Formed Dual Door Ring & 4-Door Anti-Collision Plates**

4L+2T chassis reinforced by hot-formed steel all-round safety upgrades.

L2 Level Intelligent Assisted Driving

Advanced level 2 driver assistance technologies help enhance safety and provide greater confidence and convenience in every journey.

Electronic Child Lock

One-click child lock, worry-free travel with children.

8 Airbags as Standard Across the Range

25L and 1700mm side curtain airbags, wrap-around safety shield, full protection for every seat in the cabin.

Lane Centering Control (LCC)

It continuously adjusts steering to keep the vehicle precisely centered in the lane, reducing driver fatigue during long trips.

Forward Collision Warning (FCW)

Sensors scan for obstacles ahead, monitor speed and distance to surroundings in real time.

Autonomous Emergency Braking (AEB)

Detects frontal collisions, auto-brakes to avoid or mitigate impact.

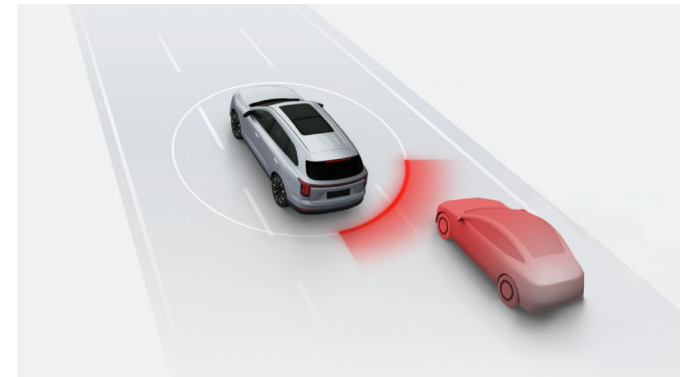

Door Open Warning (DOW)

Monitors approaching vehicles or pedestrians from the rear side and alerts occupants before opening the door.

Rear Collision Warning (RCW)

Alerts driver of rear-end collision risk from approaching vehicles.

Blind Spot Detection (BSD)

Monitors vehicle side blind spots continuously and alerts the driver when other vehicles enter.
