Wheelbase

2850 mm

SO9

## ■ A Desire For Beauty

Make a statement on the road with the contemporary design exterior. Featuring sleek lines, precision crafted details and modern aesthetic, the SO9 exudes sophistication and style.

## ■ U-Shaped Grille

The distinctive U-Shaped Grille is a signature design element that embodies SO9 unique personality and style. This bold, precision – crafted illuminated grille contour make a lasting impression, showcasing the perfect balance of elegance and innovation.

## ■ Mastery Of Visibility

An imposing silhouette molded around the illuminated U-Shaped Front Grille. The Intelligent LED head lights offers versatility, uniqueness and greater visibility in all conditions.

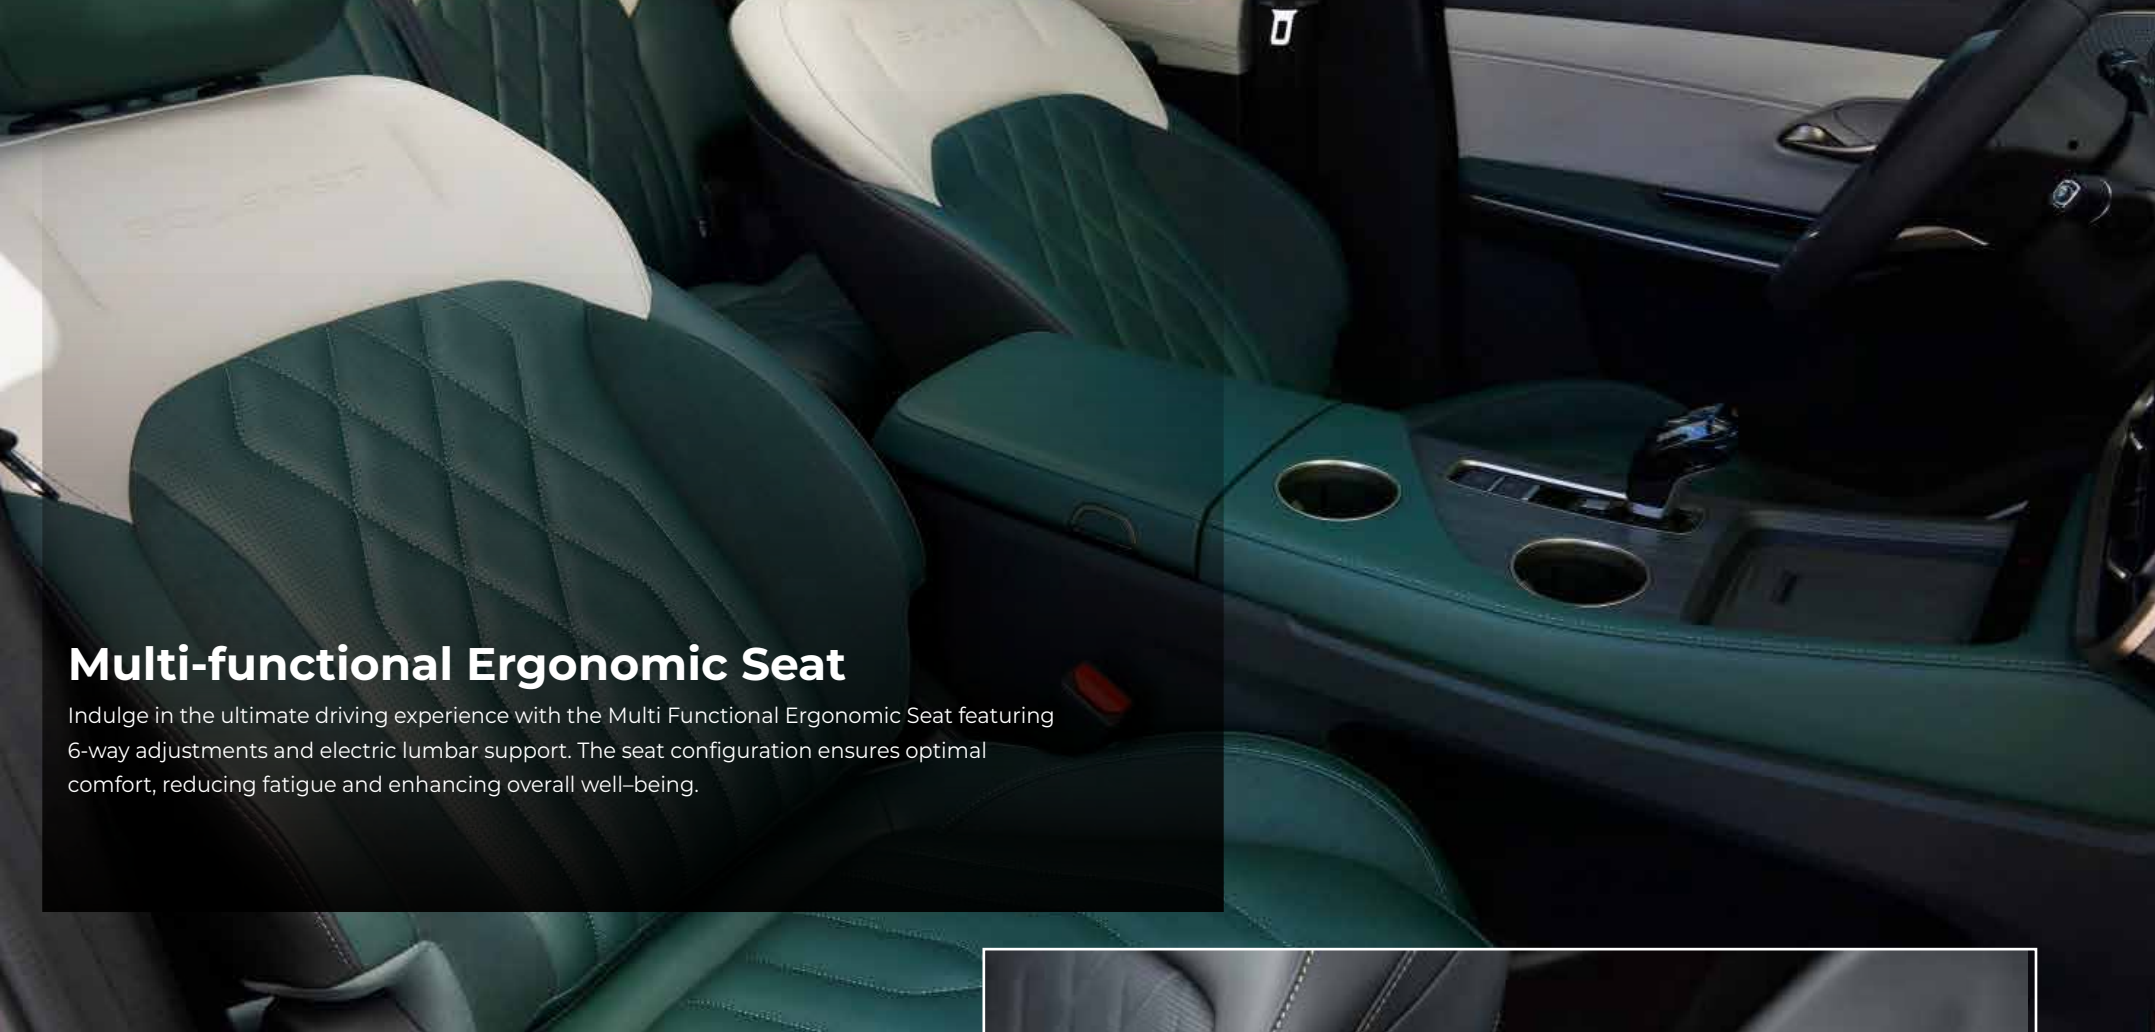

## ■ Panoramic Perfection

Escape to a world of limitless possibilities with the stunning Panoramic Sunroof. Seamlessly connecting you with natural light, this feature creates a sense of freedom and adventure.

## ■ Space for Everyone

Experience the ultimate family comfort and versatility in the SO9's spacious cabin. Featuring 5+2 seats in 3 Flat folding rows, there is room for everyone to relax and enjoy the ride. With an impressive 1130L of luggage space, it can pack everything for the next family outing and adventure.

## Multi-functional Ergonomic Seat

Indulge in the ultimate driving experience with the Multi Functional Ergonomic Seat featuring 6-way adjustments and electric lumbar support. The seat configuration ensures optimal comfort, reducing fatigue and enhancing overall well-being.

## Boss Button and Seat Ventilation

Experience unparalleled comfort and convenience with the Boss Button and Seat Ventilation system. The adjustable electric passenger seat features a one touch design allowing effortless adjustments to find the perfect position. Seat ventilation enhance comfort adds a sense of luxury and sophistication.

## Qualcomm Snapdragon 8155 Chip

Experience the ultimate in –car computing power with the Qualcomm Snapdragon 8155 Chip. This cutting-edge processor enables seamless integration of infotainment features, ensuring effortless navigation, entertainment and connectivity on the go.

## Intelligent Crystal Electronic Gearshift

Indulge in the ultimate driving experience with the Intelligent Crystal Electronic Gearshift. This masterpiece combines stunning crystal design providing effortless control and unparalleled luxury. With 176 intricately cut facets, this gearshift is a work of art that redefines the driving experience.

## Adaptive Cruise Control (ACC)

Our Innovative system uses advanced radar technology to adjust your speed and maintain a safe following distance, protecting you and those around you.

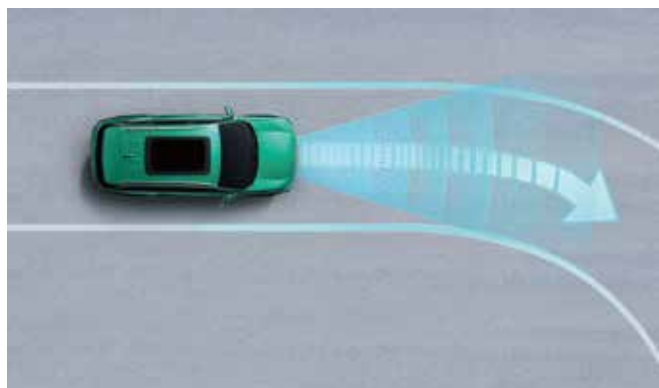

## Autonomous Emergency Braking (AEB)

Our advanced system constantly monitors the road ahead, by keeping a lookout for potential hazards thereby automatically braking if you fail to react in time to prevent collisions.

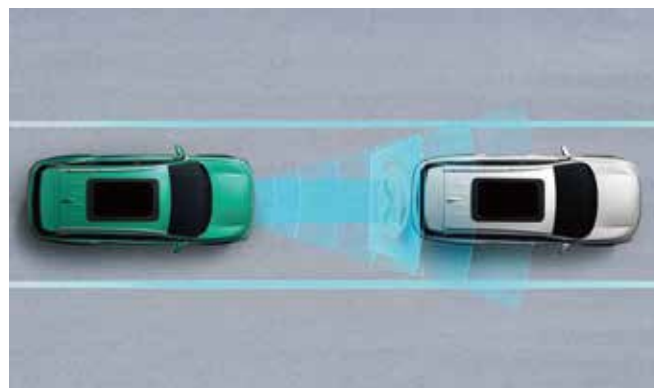

## Lane Keep Assist (LKA)

Our innovative system monitors your lane position, automatically adjusting steering to keep you on course, ensuring a safe and confident drive.

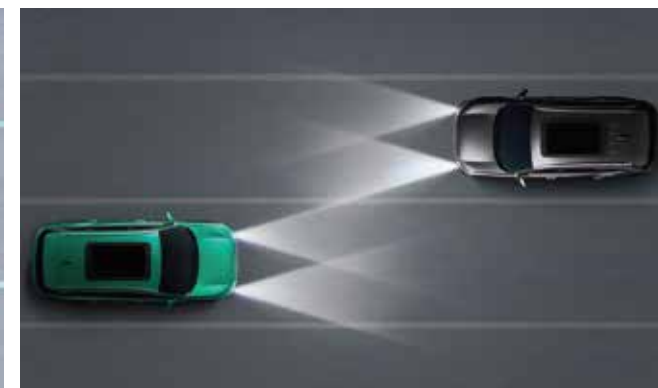

## Lane Departure Warning (LDW)

Systems will warn the driver if he or she leaves a marked lane without using the indicator, or if the vehicle is drifting out of its travel lane.

## Forward Collision Warning (FCW)

System monitors the road ahead through sensors, determines the distance and speed of the vehicle from the object in front, and warns the driver of potential danger.

## High Beam Assist (HBA)

System will automatically adjust the vehicle's headlights to different road and traffic conditions based on driving conditions and the environment, making driving safer.

## CarPlay & Android Auto

Experience the ultimate in car connectivity with the intuitive CarPlay and Android Auto Integration. Seamlessly link your smartphone to the infotainment system and enjoy effortless navigation, personalized entertainment and hands-free functionality. Stay focused on the road ahead.

## 15.6" Intelligent Touch Screen & 10.25" Digital Instrument Cluster

Indulge in the ultimate visual experience with the 15.6 inch Intelligent Touch Screen and 10.25 inch Digital Instrument Cluster. Featuring crystal clear enlightening graphics born from the highest possible resolution in its class.
